

Fork Mounted Sweeper

Fork Mounted Sweeper - The forklift mounted broom attachment can actually make industrial sweeping work a lot easier. Designed for use on either dry or wet surfaces, this mounted broom accessory could push snow and squeegee water easily. This accessory is usually used to clean debris from parking lots, warehouses, construction sites, docks and almost wherever it is needed. The forklift sweeper is a low maintenance attachment that make use of quick-tite blade products to effortlessly connect to the lift truck.
